About the Ministry

Ministry of Interior was established since the formation of the first central government in Transjordan in 1921 and its name has been associated over the past eight decades with the process of building the institutions of modern state of Jordan, the task of maintaining security and public order as well as providing optimum service to citizens in urban and rural areas and the desert. The Interior Ministry, like other state institutions, kept up with the socially and economically evolution of the country, and formed the framework within which it interacted Jordanian administrative and legal creative energies to achieve the most efficient form of the structure of the modern state based on the rule of law and respect of the individuals and groups rights. The Ministry of Interior commenced with extensive and complex tasks including its main task maintaining security and public order to save souls and public and private properties and delivering services.
